

O Senhor é a minha força e o meu escudo; nele o meu coração confia, e dele recebo ajuda. Meu coração exulta de alegria, e com o meu cântico lhe darei graças.

SALMOS 28:7

BAIRRO INHAMANDA, SÃO PEDRO DO SUL -**

No dia 01 de agosto de 2003 foram iniciadas as atividades da empresa INOVA COMPONENTES. Com a visão e a capacidade empreendedora do então fundador da empresa que percebeu a potencial capacidade do mercado regional consumidor de portas para móveis, montadas com perfil de alumínio no estado do Rio Grande do Sul.

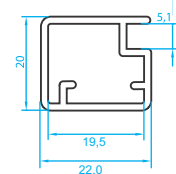

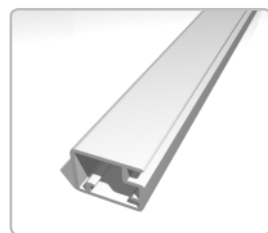

Sendo profissional da área de móveis planejados, buscou e implementou toda a sua vivência e seu senso crítico de qualidade em seus produtos, tornando-se em pouco tempo, referência estadual em seu segmento. Com o passar do tempo, seu sonho estava alcançando patamares maiores do que esperado, precisando assim, buscar e aprimorar técnicas de produção e gestão, especializando-se em cursos e eventos do setor. Ao passar do tempo foi necessário busca por mais funcionários, que hoje formam a família Inova Componentes. fazendo com que a empresa se fortalece a cada dia e conquiste novos mercados.

*Venha fazer parte você também, dessa linda história sucesso, aprendizagem, amor e fé.
Venha realizar os seus projetos com a INOVA COMPONENTES.*
